**FOR IMMEDIATE RELEASE: New York, New York –May 1, 2012**—Ghetto Youths International announce that Stephen Marley will embark on a 9-week *Revelation Part 2 Tour of Europe*, headlining in the territories of: The Netherlands, France, Switzerland, Germany, Czech Republic, Hungary, Austria, Poland, Spain, Denmark, Sweden, Belgium and Italy.

While Stephen Marley has built a formidable reputation navigating between genres, the 2011 Grammy Award winning album, *Revelation Part 1: The Root of Life* (Universal / Ghetto Youths) quickly rose to the top of the charts world-wide, marking a critically acclaimed return to Stephen Marley's roots-reggae foundation.

The eight-time Grammy Award winning producer, singer-songwriter, multi-instrumentalist and second son of legendary reggae artist Bob Marley plans to release a follow-up to *Revelation Part 1: The Root of Life* entitled, *Revelation Part 2: The Fruit of Life* on Universal Records / Ghetto Youths International, which Marley describes as leaning more toward “an eclectic feel.”

Stephen Marley is currently accepting interview requests in advance of his European tour dates. For more information contact [ghettoyouthspublicity@gmail.com](mailto:ghettoyouthspublicity@gmail.com).
